Natural Sciences or Environmental Majors
Scholarship Announcement**

January 2022

At least one \$1,000 Scholarship will be awarded

Our chapter is dedicated to protecting our local beaches, waterways, and engaging the next generation of coastal defenders.

The Coos Bay Chapter of the Surfrider Foundation is proud to offer at least one scholarship to individuals who are planning to pursue a Bachelor's degree in a natural science / environmental field. Applicants should meet the following criteria to be eligible for consideration:

- Must be enrolled in either a Coos County or Curry County High School, or currently attending Southwestern Oregon Community College.
- Preference will be given to individuals who are pursuing a career in an environmental major or natural science profession such as Environmental Science, Natural Resources, Environmental Policy, Biology, Botany, Zoology, Ecology, or other related fields.
- Have demonstrated interests or participated in activities related to the environment, natural sciences, sustainability, and / or community involvement.
- It's a plus to have interests in surfing, kayaking, and the enjoyment of our ocean and beaches.

We will award this Scholarship to at least one candidate who demonstrates a commitment to study and a passion for environmental majors or natural sciences. Scholarship applications may be downloaded from our chapter website at: <https://coosbay.surfrider.org/scholarships/>

If you have any questions, email the scholarship committee at: scholarships@coosbay.surfrider.org

Complete applications and supporting documentation must be either postmarked or emailed by April 17, 2022 to be eligible for consideration.
